

Good afternoon,

PRIME THOROUGHBREDS UPDATE 1 FEBRUARY 2014

PRIME THOROUGHBREDS STATISTICS
NOVEMBER 1997 UNTIL NOW

I have spent quite a bit of time collating our results since we offered our first syndication back in 1997. In total we have syndicated 246 horses with 25 still in our team which are unraced. The results for the remaining 221 make for interesting reading and are very good. The main supplier of yearlings is Yarraman Park and the results of horses purchased from the stud are on the right of the page. I have also included figures on the best 10 horses to have worn our colours. My apologies if your horse didn't make the list but it wasn't an easy task selecting them with horses such as Believe'N' Achieve, Polish The Silver, Maha Chakri Sun Glazed and Horrocks missing out.

	<u>All Syndications</u>	<u>Yarraman Park Breds</u>

ON THE TRACK

I was very pleased to see Chief Lord win his maiden. He looked very promising and may be a nice middle distance horse in the making.

It isn't very often that you go to the races with three runners and all of them have a nice barrier draw. This is the case on Sunday in Hobart with Rumeron leading the charge in the Elwick Stakes out of barrier 1.

This isn't an easy assignment for the filly but hopefully she gets a nice run and can be competitive. We won this race a few years ago with Huiskes.

Mossgiel Village is next up and he looks very well placed from barrier 5. He hasn't had a lot of luck in recent runs but also hasn't been far away and could have won three of his four starts with an ounce of luck.

Terra Amata has hit a vintage Bow Mistress Stakes field and will need everything to go her way but she is a good honest mare and has won or been placed in 13 of her 15 career starts.

Oeuvre is down to run Tuesday and Faith'N' Courage on Wednesday.

ACCOUNTS

Thank you very much to those of you who have paid your December accopunts. If you havwen't please get them fixed up.

MY MOVEMENTS

I will be in Hobart until 10/02/14. We have 5 runners on Hobart Cup day including Unchain My Heart in the Cup.

YEARLING OF THE WEEK

Mossman / Baffled filly 2012

The filly pictured above is a terrific Mossman filly that should keep our colours flying high in Tasmania.. She is a very good type of horse. She walks well and has a lovely loose action. She is very strong through the hocks.

She is by the top shelf sire Mossman. Mossman is currently placed 7th on the National Sire's List and is the sire of Australia's top sprinter Buffering. In all Mossman has sired 25 stakes winners including the Group 1 winning mare OfcourseIcan. Mossman was an outstanding racehorse but will be remembered as a better sire.

Baffled is by the outstanding racehorse Viscount who is by one of the very best broodmare sires in Quest For Fame. Baffled is a half-sister to the very good two year old sprinter the multiple Group 3 winner Continuum. The family also includes the Gimcrack Stakes winner Horizons. This is Baffled's 3rd foal.

Finally I am thrilled to have secured such a nice filly for our Tasmanian stable and look forward to her wearing our colours. The filly will be syndicated into 10 shares @ \$6,500 each. Half shares available @ \$3,250 each.
