## Reneged heads our Grafton team!!!

We will continue to have plenty of runners as we head into July. June was a great month for our brand with five metropolitan winners. This is an exceptional result given we only have about 25 horses in work at any time.

Tomorrow see our Smart Missile filly out of Devoirs named Eiffel Star make her debut at Cranbourne for Darren Weir. She was a \$100,000 purchase from the 2017 Magic Millions Gold Coast Sale and has been taken along steadily by Darren. Good luck to her and her owners. It is always a big day when horses make their debuts.

We may have as many as four metropolitan runners on Saturday. It is Winter Finals Day at Flemington and at this stage we look like having Husson Eagle in the Winter Sprint Final, Hussy's Glow in the final of the Leilani Series and Casa De Lago in the final of the Rivette Series. These three horses are trained by Patrick Payne. Annaman is also set to race at Morphettville for Darren Weir. The fickle

Melbourne weather will have a big bearing on our results. Casa De Lago probably won't start unless the track is rain affected.

It is hard to believe the time-honoured Grafton Winter Carnival is only a week away. We are looking at having a good representation with Reneged for John Thomson in the Grafton Cup, Chalmers in the Grafton Guineas and Everard in the two years old Classic for Kris Lees. These are three good races with us tasting success in the past with Desk Top Lover in the Cup, Reneged in the Guineas and other good results in minor races.

Kissing Game is down to race at Warwick Farm on Wednesday and she looks to have come back in great style on the strength of her good first up run at Wyong.

### **Sport in General**

We certainly have plenty of sport going on at present with the 'Thriller In Manila' heading a big few days for Australian sport. The cricketers have found a bit of form although I'm not sure how long the winning run will continue.

The news of Ryan Hoffman's retirement at the end of the NRL Season came as a bit of a surprise. Ryan has been a great advertisement for Rugby League both on and off the field and achieved just about everything a player could wish for during his time at the top. We need more sporting people like him sending the 'right' messages to his legion of supporters, both young and old.

The news he is staying on at The Storm in a management role is good news. I've had a bit to do with Storm over the years and there is no more professional club in any sport in Australia.

Good luck to our tennis players at Wimbledon. It is about time we had a positive result in the famous tournament Australian players once dominated.

### **Our Yearlings**

The jigsaw puzzle is almost complete. It has been a busy few weeks but I'm very happy where we sit at present. I have shares available with Kris Lees and John Thompson in NSW. These are the More Than Ready filly out of Riva Del Mar and Deep Field filly out of Cattalo.

This year I purchased 15 yearlings which equates to selling about 250 shares in total which is a lot of work and information packs to get out and then interested people to follow up.

I am thrilled with our purchases this year and with our two years old team which is shaping as one of the very best crops of horses we have purchased.

Not many stables in Australia that alone syndicators have so many nice two years old fillies on their books. Zizzis, Our Long Sali, Golden Script and Everard have already displayed their ability. There is no reason these two fillies couldn't match them in the coming month.

**Deep Field filly out of Cattalo 10% shares \$8,900 (5% shares available)**  
**John Thompson - Randwick**

I have been inspecting the progeny of Deep Field at this year's sales but the ones I have liked were bringing more than I was prepared to spend. I found this filly is the Perth Magic Millions Sale and valued her at \$80,000. I managed to secure her for \$50,000 which was a bargain.

She is a very attractive filly. She is well grown and has a great hindquarter. She is also BOBS qualified which is a great advantage and as a result I will send her to John Thompson to train.

The progeny of Deep Field averaged \$219,231 at this year's Gold Coast Magic Millions Sale only behind I Am Invincible, Snitzel and Fastnet Rock on averages which gives you an idea of just how well his progeny were received.

I have had very good success buying out of the Perth Magic Millions. I have only purchased four yearlings with the three to race all being winners. Raido is the best of these and won the Listed Goldmarket Handicap at the Gold Coast recently breaking the race record. This followed on from his December win when he broke the Class record for 900m at the same track.

The other two winners I purchased were Invincible Me which has won five races and Maldicion who won just the one race but had good ability running in the Tasmanian Oaks. Unfortunately, she injured a tendon which finished her career. These three horses collectively cost \$150,000 to purchase and have won 13 races and \$385,233 with two still racing.

## **Deep Field**

Deep Field was a very fast horse five races including two at Group 2 level, a Listed race and he was placed 3<sup>rd</sup> in the VRC Lightning Stakes. He has a superb pedigree being by the ill-fated Northern Meteor who looked like being a super star but died prematurely leaving three sire sons including Australia's Leading 2YO Sire this season in Zoustar as well as the highly credentialed Shooting To Win and Eurozone who looks like making a name for himself at stud.

Most good sires have a strong female line and that is certainly the case here with Deep Field being out of the very good race mare Listen Here. She is also the dam of the Caulfield Guineas winner, Shooting To Win.

## **Cattalo**

Cattalo is by the Danehill line horse Tiger Hill who has been a great success as a broodmare sire. Most of his best results are overseas with his best performed runner here being Almandin, the 2016 Melbourne Cup winner.

This is only her third foal. The 2<sup>nd</sup> foal is a Sizzling colt trained by Lee Curtis who has a very good opinion of her.

The 2<sup>nd</sup> dam is by Marscay and was a 2yo Sydney winner. She has had six to race for five winners including the stakes placed Toique which was also placed 4<sup>th</sup> in the AJC Randwick Guineas.

The 3<sup>rd</sup> dam is the Champion mare Mannerism the dam of the Moonee Valley Oaks and the Group 3 winner and sire Manner Hill.

I was thrilled to purchase this filly and look forward to her wearing our colours.

**More than Ready (USA) / Riva del Mar filly 2016**  
**\$13,000 per 10% share (5% shares available)**  
**To be trained by Group 1 winning trainer Kris Lees Newcastle**

I was taken by this filly when I inspected her. She is very athletic and by a sire who just keeps getting stakes winners. More Than Ready is one of the world's great sires with an amazing 179 individual stakes winners to his credit. Compare this with Fastnet Rock's 129 stakes winners and you get an idea of just how good he is.

### **The filly**

This filly is very much in the mould of many of the good More Than Ready fillies I have inspected. He stamps his progeny and right from his first crop in Australia from which I purchased Readymore he has consistently done a remarkable job.

I haven't been able to purchase many fillies by More Than Ready mainly because the ones I have liked have been too expensive. It didn't take long for his progeny to escalate in price after they started racing.

This filly has excellent conformation and I must say is a very well balanced athlete. Dr Tim Roberts who does most of my vet work at the sales really liked her and gave her a good rating.

I wouldn't be surprised to see her get up and going early and she will be paid up for the \$8 million Inglis Series of races as well as the BOBS Scheme.

### **More Than Ready**

More than Ready is one of the greatest shuttle stallions to have visited our country. His progeny has won 1962 races in Australia and \$74,766,148 in stakes money. These are incredible figures. World wide he has won 4680 races with over \$190,000,000 in stakes earnings. Compare that with Fastnet Rock who has 2622 wins and just over \$140,000,000 in stakes earnings.

Some of his best to have raced in Australia include Sebring, Samaready, More Joyous, Carry on Cutie, Phelan Ready and Perfectly Ready just to name a few. More Than Ready has consistently been a top 20 sire in Australia for the past 15 years.

The biggest impact More Than Ready may have on our industry is as a great broodmare sire. He is currently 9<sup>th</sup> on the broodmare list and is the youngest sire represented which is a great pointer to the future.

### **Riva del Mar**

Riva Del Mar is by the champion sire Shamardal out of the highly credentialed Zabeel mare More Chickens. This is a great female line with two Oaks winners on the page. One of these is Faint Perfume by Shamardal which shows just how well the cross works with this family.

I love buying yearlings out of families where an Oaks winner is up on the page. It is interesting that our latest Stakes horse Casa De Lago also has two Oaks winners on her page.

Make no bones about it, the Oaks winners are the very best fillies of their year and the families they come from almost always go forward and produce very good gallopers.

This is her first foal which I also really like. Once again many of the better gallopers I have been associated with over the years are first foals.
