

Good afternoon,

PRIME THOROUGHBREDS UPDATE 8 JANUARY 2014

MAGIC MILLIONS KICKS OFF TODAY

The most important week of my year starts today with the beginning of the 2014 Magic Millions Yearling Sale at the Gold Coast. The horses on offer here are as good as I have seen at the Coast. It is exciting but a bit nerve racking as we get closer. I had 12 horses vetted for today with 4 being knocked out with issues. This is about normal for most sales.

I will be posting news on my website as we buy horses. If you are at the sale please make sure you come up to say hello.
