## NOT A SINGLE DOUBT FILLY OUT OF OUR GRETA

The filly pictured above is a full sister to the very promising sprinter in Hong Kong named Victorious. You can watch the replay using this link:

You then need to go to their Happy Valley meeting on 28 May 2014 and go to race 6. He was simply outstanding and showed a remarkable turn of foot. Our filly is now being broken in and I am thrilled to have her in our team. Patrick Payne will train her for us and he has done a great job with Husson Eagle which was the first yearling I sent to him. Patrick is having another great season.

The filly has been well received but I still have a couple of shares remaining in her. She is the only yearling I have shares available in for Victoria this year.

## **GOLD COAST NATIONAL SALES**

The Magic Millions Gold Coast National Sale was an amazing sale with 2100 horses on offer although being away from the office for two weeks stretches us a bit.

I was pleased with the \$160,000 we got for Unchain My Heart. She did a great job for her owners. Mosse Diva also sold well.

I purchased a really nice filly by More Than Ready out of an Encosta De Lago mare Rose Of Sharon. She represents terrific value and I am looking forward to getting her on the market next week. I will be sending her to John Thompson to train. John has stables at Randwick and Eagle Farm which gives him good flexibility.

## **ON THE TRACK**

From a future perspective we had a very good week. El Mina should have won on Saturday at Morphettville. Nothing annoys me more than when the barrier attendants seem to take an eternity to load horses after my horse has been in the barriers for a ridiculous amount of time. El Mina half missed the start and the rest is history. She did a great job to run a very close third.

Sanosuke is starting to sort it out and might just be the stayer we always thought he would be. He was very good late at Cranbourne and if he hadn't lost a bit of momentum coming to the turn would have won. It is amazing how much he has matured in the past three months. He heads to Flemington on Saturday.

Sweet Talkin Woman was very good at Randwick on a track that favoured front runners. Watch out for her in the next few weeks.

We have several young horses ready to race with Annaman the first to go at Doomben tomorrow. He is by Mossman out of Shine On Anna. He looks well placed but with a number of first starters in the race you never know what you might strike. I am always happy to see our two year olds having their first start get around safely and have a good experience. Jim Byrne takes the ride. Other runners this week include Princess Royale at Canterbury tomorrow, Beau Jez and Tarting Me Up at Doomben on Friday and Sanosuke at Flemington on Saturday. We may start Bella Venus at Devonport on Sunday.

## **DAN CARROLL AND WAYNE WILSON**

Friday was a pretty ordinary old day with my uncle and godfather Dan Carroll passing away in Toowoomba. He was my mother's young brother and the last of that generation of the family remaining. His funeral is on Friday. His wife Margaret was the daughter of well-known trainer Con Doyle whose best horse was probably being Mr Hush although he had plenty of good ones. He will be sadly missed.

On Saturday morning I woke to the news Wayne Wilson had passed away. Wayne was a great fellow and terrific help to me when I first kicked off Prime Thoroughbreds. He had a share in Sandasta and was lucky enough to call her winning at Eagle Farm. Wayne was a great ambassador for not only Queensland Racing but also the industry in general.

My thoughts are with both families in this most difficult of times.

## **JOHN THOMPSON**

I have been very pleased with the job John Thompson has done for us. He is a very fine horseman and I thought it appropriate to give you some statistics on his career.

John has been working in the industry 24 years as foreman for leading trainers including Vic Thompson Jnr, Bart Cummings, Bill Mitchell and Graeme Rogerson. He branched out on his own 4 ½ years ago primarily training for Patinack Farm. Some horses in my care have been So You Think, Viewed, Dignity Dancer, Kenwood Melody, Nechita, All Too Hard and these along with other horses that have won close to 40 Group 1's.

Races these horses have won include the Melbourne Cup, Caulfield Cup, AJC Derby Caulfield Guineas, Railway Stakes, Coolmore Stakes, Oaks and Magic Millions and many more.

During the 4 ½ years on his own he has won 496 races including 48 at stakes level. These include four Group 1 winners, eight Group 2 winners. Nine Group 3 winners and 27 Listed winners for close to 22 million in prize money.

I had been looking for a Sydney based trainer for some time and having worked with John for four years I was thrilled when he became a public trainer once Nathan Tinkler started winding back his team.

To date John has had just the one runner for us with the two year old Makeadane being placed 4<sup>th</sup> at only his second start in Sydney. He is now spelling.

### **ACCOUNTS**

**Please get back to me if you paid \$324 into the account on 23/04/14 so I can credit your account.**

It is important you include your name or client id when paying the account through with internet banking. It takes a lot of time to try and decipher who is paying what at times which is annoying.

### **YEARLING OF THE WEEK**

**This week I will highlight the Not A Single Doubt filly which is the full sister to the recent Hong Kong winner Victorious. She is a real running type and is off to Patrick Payne to train.**

**Not A Single Doubt filly out of Our Greta**

Pictured above is a stunning filly by Not A Single Doubt out of the good producing Rory's Jester mare Our Greta. The filly looks like a running two year old to me and will be aimed at the early two year old races. I am paying her up for the Adelaide Magic Millions and she will be nominated for the Blue Diamond Stakes.

## **Not A Single Doubt**

Not A Single Doubt has been a terrific sire of precocious two year olds with the outstanding two year old fillies Miracles Of Life, Villa Verde and Karuta Queen being by this outstanding horse. Not A Single doubt is currently 5<sup>th</sup> on the national two year old list.

## **Our Greta**

Our Greta is by the Champion Sire Rory's Jester. Rory's Jester has been consistently been amongst the very best broodmare sires in Australia for many years. When Rory's Jester mares have been crossed with Danehill line stallions the results have been exceptional with the Group 1 winners Reward For Effort and Southern Lord being produced as well as the Group and Listed winners Vintedge, Permaiscuous, Rosa's Spur, Hinting, World Peace and Downhill Racer.

Our Greta has had two to race with both winning including the very good gelding Victorious with 3 wins and \$203,000 in stakes money. He recently ran 3<sup>rd</sup> in Hong Kong. This is her 4<sup>th</sup> foal. The 3<sup>rd</sup> foal is a two year old filly by Choisir and is reported to have nice ability.

**This filly is bred on a similar cross to Villa Verde.**

## **The Filly**

This is a great filly. She has an excellent pedigree and is a really good type of a horse. She has a wonderful attitude and gets around very well. She has a lovely easy, relaxed walk.

The filly was grown out at Mill Park Stud in South Australia after being weaned at Edinglassie Stud in the Hunter Valley where Mick Talty said she was a strong foal with a great temperament and terrific doer in the feed bin.

Not only does she offer her owners the opportunity to race a top class filly but also she has the potential to be a very valuable brood mare should she win a nice race.

## The Stud

Mill Park Stud situated on the Limestone Coast in South Australia has established itself as one of the country's very best horse farms. The results the horses reared on the farm have produced on the racetrack have been exceptional. **Horses reared at Mill Park include Happy Trails, Fawkner, Divine Madonna, Southern Speed, Serious Speed, Undoubtedly, Laser Flash, Rebel Raider, Princess Coup, Mummify, Gold Guru, Devil Moon, Captain Sonador and St Clemens Belle and Proprietor.**

**All these horses have two things in common – MILL PARK- GROUP 1 WINNERS.**

The amazing thing about Mill Park is the fact the farm produces high class two year olds through to the very best stayers. They regularly compete and win in the very best company and appear to be quite sound horses.

This is the 2<sup>nd</sup> yearling I have purchased from Mill Park. The first is a three year old named Unique which was an impressive maiden winner recently.

## Syndicate Details

I am more than pleased to have secured her and she will head to Patrick Payne to be trained. 10 shares @ \$9,000 each (1/2 shares @ \$4,500 each).
