El Mina Winning in Adelaide on Saturday

I was thrilled with El Mina's win at Morphetville on Saturday. She had issues during her last preparation and it was decided her best hope was to move her to the rural setting at Kildalton Park near Angaston. Tony McEvoy and his staff have done a sterling job with her and she beat a couple of handy mares winning first up over 1400m. There is no reason why she can't go on with it as she has always displayed good ability.

Pitt Street did a good job but had to be used early and this told in the final 100m but he was brave to hang on for second.

Awasita didn't handle the very firm track at Flemington where the track was rated a Good 3 at 730am on Saturday morning. The Flemington track is very good but dries out quickly and there wouldn't have been much give if any by the time the races started. Faith'N'Courage has done a very good job but has had enough for now and heads to Washpool Lodge for a break.

Tomorrow sees Taring Me Up resumes at Doomben and Terra Amata, Mossgiel Village and Not Another Red run in Launceston.

This will be Terra Amata's final race in Tasmania before spelling and heading to Kris Lees. Charlie and Leuella have done a great job with her.

On Friday Husson Eagle runs in the Listed St Albans Stakes at Moonee Valley. He had a nice hit out before the first race at Moonee Valley yesterday and seemed to handle the tricky track without any issues. Hijack Hussy is set to run at Eagle Farm on Saturday.

INGLIS OPEN DAY SUNDAY 16 MARCH 2013

Inglis are holding a Syndicators Open Day on Sunday at their Sales Complex at Young Street Randwick commencing at 1030am. This should be a great day and I will have a display and will be parading the Snitzel and Magic Albert Fillies. Kris Lees and John Thompson will also be attending.

This is a great opportunity to catch up and I look forward to seeing many of our clients on the day. The Inglis team put a lot of effort into the day last year and deserve credit for the initiative

SALES UPDATE

The first day of the Adelaide Magic Millions was very strong with a good clearance rate and the average up. I didn't have any joy under bidding on two lots and having a nice filly knocked out on x-ray.

I have several more on my list today and I am keen to purchase Patrick Payne a yearling. He has done a sterling job with Husson Eagle.

ACCOUNTS

I am hoping to get the February accounts out on Friday.

YEARLING OF THE WEEK

SNITZEL – LADY CAY FILLY

I am highlighting the Snitzel filly out of the very good race mare Lady Cay. I only have 2 shares left in her and she is a terrific buy. As you may be aware many of the mares we syndicated are having wonderful success now that they are at stud and this filly could well go on to be a terrific breeding proposition once she completes her racing career and if she was to win the right race would be a very valuable broodmare.

Snitzel has had just the one runner out of his daughters and that is the 2nd elect for the Golden Slipper in Mossfun. I'm not surprised that Snitzel is looking like being a good sire of broodmares as his dam Snippets Lass was the best mare I have been associated with and has as good a female line as you are likely to see. I think too many people overlook the importance of the job the mare does in the big scheme of things and I am consistently amazed to see yearlings by 'trendy' sires out of bad mares bringing stupid money in the sales ring.

The filly pictured above is by Australia's leading sire at present in Snitzel out of a daughter of many times Champion Sire Marscay. This is a beautiful filly. She is a terrific walker and has a great hindquarter. I am thrilled to have secured her.

Snitzel has done a remarkable job since going to stud and is currently the leading sire in Australia for the current season. Very few stallions achieve 10% stakes winners to winners but Snitzel has achieved this rare achievement with 20 stakes winners to 184 winners.

The best progeny by the remarkable young stallion are the Cox Plate winner Shamus Award, Sizzling, Sweet Idea, Snitzerland, Hot Snitzel, and Chance Bye.

Lady Cay was a good race mare winning 4 races and being placed in the Group 2 Tea Rose Stakes and Listed Triscay Stakes. She has had four foals race with three winning and the promising Takewing being placed in Sydney recently.

In my opinion this is by far the best mating Lady Cay has had and resulting filly has the advantage of being born after the mare missed a year which greatly improves the chance of her getting a stakes winner. Also Snitzel has the great ability to upgrade his mare's performances.

Finally, I am thrilled to have secured such a nice filly and look forward to her wearing our colours. The filly will be syndicated into 10 shares @ \$19,500 each. Half shares available @ \$9,750 each. **Only two shares remain.**
